Dear [REDACTED]

The College replies as follows

The College is refusing your request for an "equity look through" under Section 41 of the Freedom of Information Act. Any results of such an enquiry would be provided to the College in confidence and could not be provided to the public. This is an absolute exemption.

The College is refusing your second request under Section 21 of the Freedom of Information Act, namely that the information about Investment Managers and the percentages managed by them is available to you by another means on the College website at:
