Dear [REDACTED]

I am responding to your request for information made under the Freedom of Information Act (2000) and sent by email on 10<sup>th</sup> May 2024.

I can confirm that the College holds no information relating to the questions you ask. Linacre College invests via Oxford University Endowment Management (OUem) and has no further detailed information on the investments made by them. To attempt to be helpful to you, we have contacted OUem and they have commented that "For context, through the college's investments managed by OUem, the college own units in the Oxford Endowment Fund which in turn invests in investment groups globally, rather than individual companies. The college does not invest in individual companies and no information is shared with you on the companies held in these vehicles." The most recent published report from OUem is here [OEF Report 2022 | OUem](#) with investment restrictions discussed on page 16.

As disclosed in our annual report and accounts, past copies of which are published here <https://www.linacre.ox.ac.uk/about/strategy-annual-reports> we do hold a small (less than £100,000) investment in the Low Carbon Hub.

**Internal Review**

If you are dissatisfied with this reply, you may ask the College's Governance, Audit and Risk committee to review it, by emailing [principal.secretary@linacre.ox.ac.uk](mailto:principal.secretary@linacre.ox.ac.uk).
