Dear [REDACTED]

We do not directly invest in any of the companies mentioned, nor have we in the past. Our investment policy (available [on our website here](#)) prohibits us directly investing in companies which manufacture arms that are illegal under the Munitions (Prohibitions) Act 2010 or the Landmines Act. The College's investment portfolio is invested (i) indirectly via a small number of investment managers and (ii) directly held passive listed tracker instruments, (iii) with the balance in property and cash. Our investment policy, which is currently under review, outlines our approach.

Best wishes
