Yours faithfully,

I write in reply to your email requesting the information detailed above.

We cannot comply with your request in its current form, as we consider the College is entitled to refuse your request under section 12 of the Freedom of Information Act (FOIA) for the reasons detailed below.

The information requested is neither held in an easily reportable format, nor do we believe that it is in all cases held by the College. To locate, retrieve and extract the information as requested, it would be necessary to source, cross-reference, collate and analyse multiple years of financial reports and financial documentation from sources both within and beyond the College. Therefore, we have determined that undertaking an exercise to determine whether all the information requested is held, and to locate, retrieve and extract it, would exceed the maximum amount of time a public authority is required to spend on a single request, namely, 18 hours.

Section 12 FOIA allows a public authority to refuse a request for information if the authority estimates that the cost of complying with it would exceed the 'appropriate limit' prescribed in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 (the 'Regulations'). The appropriate limit for universities is £450, which, because the Regulations fix staff costs at £25 an hour, corresponds to a time limit of 18 hours or just over two working days.

The College is mindful of its obligation under section 16 of the FOIA to provide advice and assistance, and we have provided some information that is more readily available below:

The College invests approximately 58.9% of its endowment funds in the Oxford Endowment Fund (OEF), managed by Oxford University Endowment Management (OUem). The College is only one of several investors, and all investors own units in OEF. The funds are themselves invested primarily in other pooled vehicles. You can find further information on OUem and its activities at www.ouem.co.uk. If you wish to pursue a request with OUem, you may contact OUem by emailing communications@ouem.co.uk.

Our other investments are listed below:

- a. The Veritas Global Focus Fund, managed by Veritas Asset Management (approx. 21.3%)
- b. The Blackrock Global Unconstrained Equity Fund (approx. 10.9%)
- c. UK property (approx. 8.8%)

St Peter's aligns itself with the <u>University's policies on sustainable and responsible investing</u>. St Peter's College's investments are in the form of managed funds or UK property. Further information about our financial activity is publicly available in our Annual Reports and Financial Statements. You can find Annual Reports and Financial Statements for the years ending 31 July 2019, 2020, 2021, 2022 and 2023 here on our website.

You may request an internal review of this response by emailing <u>foi@spc.ox.ac.uk</u>. A request for internal review should be submitted no later than 40 working days from the date of this letter.

If, after the internal review, you are still dissatisfied, you have the right under FOIA to apply to the Information Commissioner for a decision as to whether your request has been dealt with in accordance with the FOIA. You can do this online using the Information Commissioner's complaints portal.

Yours sincerely

Communications Manager
