To: Dear 

Thank you for your request.

We hold no record of the College making investments in these companies during the period you name.

The College's investments in companies are made indirectly in portfolios through third parties, which screen potential investments for environmental, social and governance ('ESG') risks. The overwhelming majority of the College's investments are made via OU Endowment Management ('OUEM'). Information on OUEM's ESG risk management may be found here: <https://www.ouem.co.uk/esg-risk-management/>. The College does not receive information about individual companies invested in through indirect investments.

I hope this is of help to you.

Best wishes

To whom it may concern,

I'm writing to request information regarding your College's investments under the Freedom of Information Act 2000.

Could you please provide the following information:

1. The direct and indirect investments that your College has held in Israeli-domiciled companies, as well as any companies domiciled in the Occupied Palestinian Territories, or Occupied Syrian Golan. Please provide this information for the financial years 2019/20, 2020/21, 2021/22, 2022/23, and any information available for 2023/24.

2. The direct and indirect investments that your College has held in companies complicit in Israeli occupation. Please provide this information for the financial years 2019/20, 2020/21, 2021/22, 2022/23, and any information available for 2023/24. As I assume that this may not a category that is accounted for in general investment reporting, please see the list below of companies that I would like this information for:

Caterpillar Inc.

J.C. Bamford Excavators Limited (JCB)

Any companies on the OHCHR's database of business enterprises involved in illegal Israeli settlements, linked here:

<https://www.ohchr.org/sites/default/files/documents/hrbodies/hrcouncil/sessions-regular/session31/database-hrc3136/23-06-30-Update-israeli-settlement-opt-database-hrc3136.pdf>

Hewlett-Packard Company

Siemens

In the event that retrieving this information would exceed the limit as set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004, then please answer question 2 first, taking the above list of companies as in priority order. If responding to the OHCHR list is still likely to reach the limit set out, then please give the data about the College's investments in Israeli-domiciled companies in the database.

If you are still to invoke Section 12 to withhold information in relation to any of these questions please provide details of how locating, retrieving and extracting this information would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004. Please also be aware of your duty under section 16 (1) of the Act to advise and assist me in narrowing my request to bring it within the appropriate limit.

If you are to invoke Section 43 to withhold information in relation to any of these questions please provide details of the exact FOIA exemption, details of who would be prejudiced by this information, and a public interest test justifying a conclusion with arguments for and against the release of the information.

I am happy to provide any clarifications required to support this request, please be in touch at any time. Thanks very much for your help with this request and I look forward to your response within the next 20 working days.

Yours faithfully,
